

## Methuen Memorial Music Hall, Inc.

### 2025 Season Partnership Form

Did you know that you live and work in the shadow of America's first concert organ that still houses one of the largest pipe organs in the country? Did you know that the Methuen Memorial Music Hall is a mecca for music lovers, even a "bucket list" item for organists and those who love organ music, worldwide?

The Methuen Memorial Music Hall was commissioned by Edward F. Searles and designed by famed architect, Henry Vaughan, to house the pipe organ which had been removed from the Boston Music Hall. After Mr. Searles' death and a period of inactivity, a group of Methuen citizens incorporated the Hall in 1946 as an educational and arts center and began offering organ concerts and other musical performances for the public. That tradition has continued uninterrupted for more than 75 years!

The series of concerts and events at the Music Hall are heard by over 2000 people annually! The theatre events alone involve around 40 youth and their families from the area with 3 shows!

If you would like to assist in the mission of the Music Hall and get your company name in front of all these people, the season partnership levels (as opposed to our single Event Sponsors) are designed to maximize your exposure to our entire audience for the entire year! Season Partnerships are available at 3 different levels: \$1,800, \$2,800 and \$5,000 (See reverse for details). Our major donors may become an Underwriter with donations of \$15,000 or more.
